FUN!

If you didn't make it this year, join us in February 2008!

Free Spanish Class

The PCRS is offering a Free Mommy or Daddy & Me Spanish class for 3-5 year olds. The four week class will meet once a week beginning April 18 at 2:00 pm. If you would like your child to participate, call 215-8712 to reserve a space.

2007/08 Admissions

A few Pre-K3, Pre-K & Kindergarten spaces are still available. If you are interested in having your child attend the school, call the office to get an admissions packet. *If you need after care, ask about the program details.*

Spanish | Mathematics | English | Science | Mandarin | History

Learning is Fun...

Calendar

March 20 Parent Meeting. 6 pm.

March 26 Spring Vacation begins.

April 2 Classes resume.

April 18 Mommy or Daddy & Me
Spanish begins.

May 5 Cinco de Mayo!

May 16 Last Day of School.

1st Graders visit La Fuente, the Mexican Bakery

PRE-K

The children are learning quickly. If you have a chance, poke your head into the English or Chinese classroom and listen. The children have a vocabulary of over 100 Chinese words and can read simple English books. They can also spell straightforward words. In addition, they are working on counting forward and backward within 100.

KINDERGARTEN

It is fun to watch the children read Mandarin passages and answer questions. It is also amazing to see how much the English reading and handwriting skills have improved since the beginning of the year. The children are now confident readers and feeling comfortable spelling many words. In math, the students easily handle addition and subtraction within 20.

FIRST GRADE

To celebrate President's Day, each child made a short presentation about their favorite president. They also had a good time visiting a Mexican bakery. On this trip, they had a chance to practice their Spanish outside the classroom. In science, the children are learning about the mouth and the internal organs of the body. In Chinese, the kids are enjoying character writing practice and in math the children are working addition, subtraction and multiplication word problems in Chinese. Also, the students are refining their English reading, writing and spelling skills.

Admitting students of any race, color and national or ethnic origin.
